*be sure to try one of our
35 Irish Whiskeys!*

One evening while sitting in a local German establishment enjoying a few beers and traditional Bavarian music, Anne Mullaney, Brian Mullaney and Sean Patrick Murphy decided that the Irish community in Pittsburgh was in need of an authentic Irish pub that it could call home.

And so from this simple conversation, Mullaney's Harp & Fiddle was born. After converting a building in the Strip District of Pittsburgh into a cozy pub atmosphere, the Harp & Fiddle was opened on February 5th, 1992. Owning an Irish pub had long been a dream for the three young entrepreneurs and now it was a reality.

Over the years the staff of the Harp & Fiddle have worked hard to create an atmosphere where everyone feels welcome and comfortable. It is an inviting place where people can relax and be themselves. After over 20 years and a lot of great memories, our pub is still going strong and we are looking forward to meeting you and calling you our friend.
