

One evening while sitting in a local German establishment enjoying a few beers and some traditional Bavarian music, Anne Mullaney, Brian Mullaney and Sean Patrick Murphy decided that the Irish community in Pittsburgh was in need of an authentic Irish pub that it could call home...

Welcome to

Mullaney's
HARP & FIDDLE
Irish Pub

*"The heart of Ireland in the
Heart of the Strip!"*

The three friends' legacy is evident over 16 years later, as Mullaney's Harp and Fiddle is known by many to be the place not only for traditional Irish favorites from the kitchen and behind the bar, but in its appeal to anybody in need of some friendly conversation, great memories, or entertainment that cannot be seen or rivaled anywhere else in the area...

Eat, Drink & Be Merry!

From the Kitchen

Our kitchen features fine dishes prepared by our Executive Chef, Bryan Regan, in a menu that is classic in its Irish appeal, but also hints at a more contemporary style from both the United States and Ireland.

While some meals are served year round, like our traditional Shepherd's Pie and Fish and Chips, our menu changes with the seasons, with hearty meals like Irish Stew served in the winter and Pan Roasted Scallops and other lighter selections prepared in the summer months. While the menu may change, our dedication to serving fine food never does. So no matter the season, consider the Harp and Fiddle as a great place to enjoy lunch, dinner or a late night snack (we promise not to tell!)

From The Bar

Behind our classic oak bar cold beverages are served hand in hand with jokes and revelry from Declan or one of our other bartenders. The Libations List follows the style of our Menu, with the classics always in stock (Dave, our General Manager, will tell you we've never been short on Guinness!) along side the newest brands and styles from all over the world. Whether it's an Irish pint of Harp or a glass of Jameson chilling over ice, Mullaney's Harp and Fiddle is always ready to help you settle in with whatever you're having!

While they were always willing to find new ways to entertain their customers, the three decided there should be events that set Mullaney's Harp and Fiddle apart from the rest, that were traditionally Irish, and that would continue annually for years to come...

St. Patrick's Day

Patrick's Day is a two day party at Mullaney's Harp and Fiddle. Both Parade Day and St. Patrick's Day are great days down here as we have live music from around Pittsburgh all day and night. We open up our space with a huge tent over our parking lot to give plenty of room for eating, drinking and dancing! We feature a traditional Irish menu as well as simple sandwiches and burgers!

Oyster Festival

One of Ireland's great traditions, the Oyster Fest is a Mullaney's Harp and Fiddle tradition that blends delicious oyster selections and great Irish music. An all day and night event held under our tent, it is quickly becoming one of our signature events.

Lisdoonvarna Matchmaking Festival

Love is in the Aire! Held twice a year, this matchmaking festival is a great opportunity for Pittsburgh singles to meet and enjoy some fun, games and music. A great karaoke theme is becoming a trademark of this great evening!

Finnegan's Wake

A stage production and reenactment of the song Finnegan's wake. Performance by Red Hand Paddy and featuring a live corpse in a coffin! Come pay your respects to old Tim Finnegan and be sure to stay to see if he will rise again this year!

Most importantly the three wanted to have a place to call home, to invite their friends for a drink, to bring a client for dinner, to host their friends and family for a night of cheer and craic. Their hope was that others would feel the same way, that Mullaney's Harp and Fiddle would be the destination for parties and events for groups of all types and sizes...

Private Parties

Groups come to the Harp and Fiddle because they know that the quality of our food, drink and entertainment is consistently exceptional and sure to impress all of your guests. Whether it's a white table cloth engagement or a chance to get friends together to sing along with one of our house bands, Mullaney's Harp and Fiddle caters to your every need!

Notre Dame Game Watches

The Notre Dame Club of Pittsburgh traditionally comes down to the Harp and Fiddle to celebrate the College Football season of the most storied football team in the nation! They keep coming back because they know that Mullaney's Harp and Fiddle continually welcomes them in, and is continually supporting the Club in many ways! Your Alumni Club could be next!

Weddings and Dinners

Every year there are couples that thank Mullaney's Harp and Fiddle for being the place where they met their future spouse. Understandably, they often find that hosting a rehearsal dinner or wedding party at Mullaney's Harp and Fiddle is the perfect way to honor that meeting, and also a great way to entertain family and friends from around the country!

Holiday and Corporate Parties

Whether it's an award ceremony for corporate executives, a holiday party to celebrate a year of hard work for your office employees or a going away party for a coworker, Mullaney's Harp and Fiddle is where many turn to host their events. Let us host your next event and see why so many groups keep coming back!

They wanted to use their pub to mix good work...

Guest Bartending

When a non-profit is in need of additional funding to help meet the mission of the organization, they often turn to Mullaney's Harp and Fiddle where they can host an event that will both be fun and profitable. The Guest Bartending event puts your directors, presidents and managers behind the bar, giving you an opportunity to get back at them for all those long days they made you put in! You get the chance to see their on the job training and test whether or not they can pour a drink as well as they can dole out work!

We have helped raise money for children with cancer to Neighbors in the Strip, who are continually working to improve the culture and industry of the historic Strip District. Groups come with anywhere from 10 friends to over 100, and all love the opportunity to help advance their mission while sharing in the revelry that can only be found at Mullaney's Harp and Fiddle.

...With great times!

Mullaney's Harp and Fiddle hosts local bands such as Guaranteed Irish, Corned Beef and Curry and Red Hand Paddy...

Solo artists such as Seamus Kennedy and the artist currently known as Maryland Governor Martin O'Malley...

And national favorites such as The Corrs, Gaelic Storm and Scythian!

This is the story of Mullaney's Harp and Fiddle. Since February 5th, 1992 Anne, Brian and Sean have enjoyed watching the story unfold within the confines of their pub. Every year a new chapter begins and we expect the next one to be even better than those already written. We hope that you'll be here with us. Whether it's for lunch with a friend, dinner with a group, or a night with one of our local bands, we want to be the place that you know will always be here, always provide you with excellent service and an excellent atmosphere and always help to write a part of your story.
